This is the official Application Information Kit for ULTRA520K CANADA. It contains all the information necessary for you to apply for an invitation to participate in this event. It is very important that you carefully read this entire kit before you actually complete the application.

**This is an Invitation Only event.** Applications will be accepted up to and including July 1st, 2018 if spaces are still available. Organizers will Select and Invite 30(thirty) athletes on a first come first served basis, if otherwise qualified. Applications received after the event is full (30 (thirty) athletes) or after July 1st, shall be held on a waitlist and places offered if they become available.

### **Invitation Process**

At the discretion of race organizers, an additional five entries may be permitted (for total of 35 (Thirty-Five) if demand and circumstances warrant). Each applicant that is issued an Invitation will receive an Official Invitation Kit. Invitations not accepted within 3 (three) days after being issued may be considered invalid, and the space released to another applicant.

Special consideration will be given to individuals that have raced, crewed or volunteered at previous ULTRA520K Canada and Ultraman Canada events. However this does not guarantee you a place in the event if your application is late or delayed and the slots are already filled. Further, this does not exclude anyone else from applying but those attributes listed above will be considered if more applications than places available are received by the time the organizers make the selections. As time is critical to the process as we may direct people to the 2017 event, we will start the selection process as applications are received.

We recognize that our qualifications have often delayed people in taking that leap of faith in terms of signing up. We are announcing that we will waive the need for the qualifying race and time, however we still need to see a racing resume in order to make sure that someone does not jump in that is clearly under qualified. The event is still by "Invitation Only", we are just relaxing the entry qualifications for these last two events 2017 & 2018.

Your application will not be considered complete until you also submit a 2" X 2" head and shoulder photo (passport style) in jpeg format (no hats, visors, sunglasses, pets or other people in the photo) and your Application Fee.
