This is the official Application Information Kit for ULTRA520K CANADA. It contains all the information necessary for you to apply for an invitation to participate in this event. It is very important that you carefully read this kit before you actually complete the application which is available on line.

This is an Invitation Only event. Applications will be accepted up to and including July 1st, 2018 if spaces are still available. Organizers will Select and Invite 35 (thirty -five) athletes on a first come first served basis, if otherwise qualified. Applications received after the event is full or after July 1st, 2018 shall be held on a waitlist and places offered if they become available.

Invitation Process

Special consideration will be given to individuals who have raced, crewed or volunteered at previous ULTRA520K Canada events, however this does not guarantee you a place in the event if your application is late or delayed and the slots are already filled.

We will waive the need for a qualifying race and time, however we still need to see a racing resume in order to make sure that someone does not jump in that is clearly under qualified. The event is still by "Invitation Only".

Your application will not be considered complete until you also submit a 2" X 2" head and shoulder photo (passport style) in jpeg format (no hats, visors, sunglasses, pets or other people in the photo) and your Application Fee in accordance with the schedule below.
