When you enter the property, you'll be introduced to over 32,000 square feet of event space, three private restaurants, Three Wishes clothing boutique, you'll be provided access to our private beach and marina, the Pure 24-hour fitness centre inclusive of a raw food bar and juicery, the Great Estates Wine Experience Centre, our pool & hot tub, Shingata hair salon and more. Our private licensed ice rink and water sports are available seasonally to guests. All of our rooms have either city, beach or lake views so guests can enjoy the Okanagan landscape. As for dining, The majority of the fresh produce served at the Hooded Merganser is grown on our very own Valley View Farm, located less than 7km from the resort, which also plays host for 'farm to table' experiences during the spring and summer seasons.
