This is the official Application Information Kit for ULTRA520K CANADA. It contains all the information necessary for you to apply for an invitation to participate in this event. It is very important that you carefully read this kit before you complete the application which is available online.

### **Application Process**

**This is an Invitation Only event.** Organizers will Select and Invite up to 45 (Forty-Five) athletes on a first come, first served basis as the applications are received and if otherwise qualified.

The event will follow current Public Health Guidelines and Orders regardless of when issued. This may require changes in our protocols and planning. Athletes are cautioned that they must be flexible and changes by Public Health are outside of the organizers control.

**Qualifying:** Special emphasis will be placed on the applicant's endurance activities to date, and the demonstrated ability to finish all three stages. The applicant must have finished at least an iron distance event at some time in the previous 5 years to the Ultra520K Event being applied for; and the finishing time for the qualifying race should be under 14 hours and 30 minutes. Events that consist of distances that are of at least iron distance in some disciplines but not all three may be considered when combined with other events that contain at least the iron distance of the discipline missing from the first event. We may waive the need for a qualifying race and time; however, we still need to see a racing resume to make sure that someone does not enter that is clearly under qualified. The event is still by "Invitation Only".

Special consideration will be given to individuals that have raced, crewed, or volunteered at previous ULTRA520K Canada events. However, this does not guarantee you a place in the event if your application is late or delayed and the slots are already filled.

Your application will not be considered complete until you also submit a 2" X 2" head and shoulder photo (passport style) in jpeg format (no hats, visors, sunglasses, pets or other people in the photo) and your Application Fee in accordance with the schedule below.
